

***Greetings friends and family,***

Thank you for praying for Kids Camp and our 16th School of Evangelism. We had over 100+ participants and Pastor Matt (JCA) spoke on spiritual warfare. That weekend was one of breakthrough, healing, and training for a life that is worthy of Christ. For the first time this year, 3 of our OTR mothers join us for School of EV. It's been a great joy to see them grow in grace and knowledge of Jesus Christ and draw closer to Him. They were memorizing bible verses in preparation for the school and went out on the streets with us despite of fear. Now, they are compelled to share the gospel with their unbelieving family members and neighbors. Praise the Lord!

This summer was a lot of “firsts.” For the first time, we had Kids Camp at the church for two weeks at church and for one week at Wade St Park (a neighboring community in the West End) with about 90 missionaries from churches across the states. We had over 200+ children across both sites, celebrated mothers coming into the Kingdom family, witnessed our teen boys empowered to be “Big Brothers” to our little ones especially through worship, and the children just kept coming back! We thank God for the missionaries He sent and all that God has done. As we follow up with the families, please pray that they would see the importance of being part of a local church.

We thank God for opening doors for us at Rothenberg Preparatory Academy! We are starting Kids Club at two sites: Rothenberg Preparatory Academy (Sept 8) and Taft Elementary School (Sept 26) this Fall. We are particularly excited and grateful to be at Rothenberg because it is located right behind our church. Many of our children who attended Kids Camp or attend our church go to school there. Please pray that Christ would be made known in our relationships with the students, their families, and the staff/faculty. Please also pray for more volunteers, especially at the Taft site.

The new school year has started at University of Cincinnati and outreach has begun! Through *All Nations Fellowship* (changed from Joy Fellowship), we hope to reach all students, but especially international students, with the good news. Please pray for divine connections with students and wisdom and boldness as we evangelize on campus!

Please also pray for Mahamout (on the left) and his family, a Syrian refugee family from Turkey. Mahamout feels called to be a pastor and Pastor Johann and Sister Grace met him last Spring in Turkey. God placed on their heart to sponsor Mahamout and equip him and raise him up as a leader. They just moved to Cincinnati a few days ago and will be staying with us until they are settled; please pray for smooth transitions and for salvation for the family as Mahamout is the only believer!

**May God keep you in His love. We thank God for your prayers!**

*With great Joy,  
OTR Living Water Church*
